

TENDENCIAS DE PRODUCCIÓN

Oil & Gas | Argentina 2023

Julio 2023

www.opogc.com

An aerial photograph of an oil drilling rig in a desert landscape. The rig is a tall, complex structure with a derrick and various platforms. It is surrounded by support buildings, trailers, and equipment. The background shows a vast, flat desert under a cloudy sky.

INTRODUCCIÓN

- El siguiente resumen estadístico toma como base la información provista por la Secretaría de Energía de la República Argentina a **julio de 2023**
- Fuente de información: Secretaría de Energía Argentina

CONTENIDO

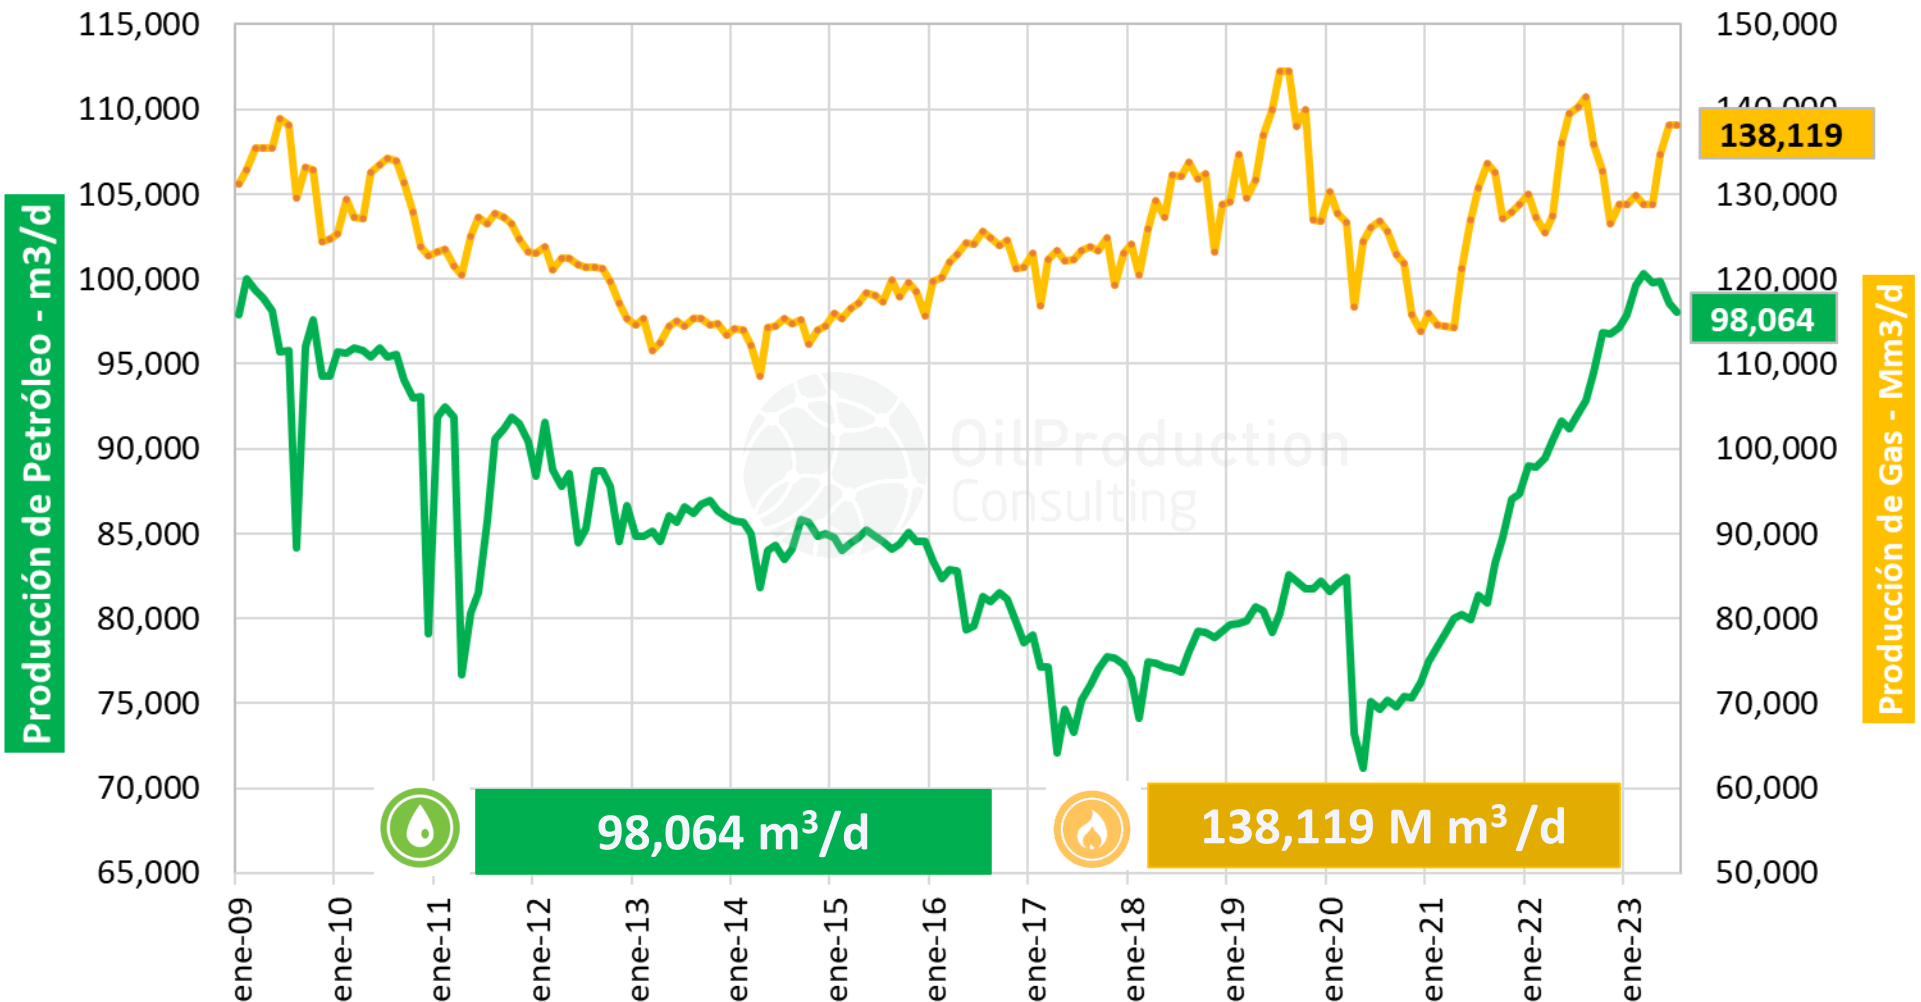

- 1 ARGENTINA | PRODUCCIÓN DE PETRÓLEO Y GAS
- 2 ARGENTINA | PRODUCCIÓN NO CONVENCIONALES (NOC)
- 3 ARGENTINA | TENDENCIAS POR CUENCAS

A black and white photograph of an oil pumpjack in a field. The pumpjack is on the left side of the frame, and the field extends to the horizon. In the background, there are several wind turbines. The sky is cloudy.

A black and white photograph of an oilfield wellhead in a desert landscape. The wellhead is a complex of pipes, valves, and a handwheel, mounted on a metal frame with stairs. The ground is rocky and sandy, and the sky is overcast with clouds. The image is partially obscured by a blue banner on the right side.
